

What is your job/role at Lakeside?

Director of Safety

How long have you worked for Lakeside?

20 years

How did you end up at Lakeside?

had been off work after a surgery, the company I was with had dropped out of the union and a friend of mine recommended calling Mike McComish. I've been here since.

How did you get started in the construction industry/trades?

I started framing homes and then applied for an apprenticeship through the carpenters.

What is your favorite part of working at Lakeside?

The team dynamic

What do you like most about the work we do here?

The challenges we encounter whether it be the work scope, schedule, or a new innovative product!

What are you most proud of in your career so far?

Do you have a favorite/most memorable/interesting project you've worked on?

There's so many milestones, but the most memorable would have to have been the Health Care REIT projects.

What do you think makes our team culture unique?

The mix of different personalities and ideas that are brought to the table by everyone from the field to office.

What are three words that describe your work at Lakeside?

Safe, innovative, and cognizant

What piece of advice would you give to your younger self?

To keep a cooler head

What advice would you give to someone considering the trades/construction industry?

To do their best and be present, you don't have to know it all at once, and strive to learn something new or improve everyday.

Tell us about your family and hobbies.

My wife and I have two adult children, 3 dogs, and spend our free time at our cottage.

What kind of music do you like to listen to?

All types of music, I'm not that picky, if there's a beat I'll probably enjoy it.

Ohio State, Michigan, or who cares!?!

O-H..... I-O

What is one thing people don't know about you that they would be surprised to find out?

That I love to cook, especially for friends and family!

What is one thing on your bucket list?

I would have to say a trip to Italy is on my bucket list.

Adam Michalski
