

What is your job/role at Lakeside?

*Floorlayer, Foreman and Safety.*

How long have you worked for Lakeside?

*5 years.*

How did you end up at Lakeside?

*I was traveling nonstop and I heard of an opportunity to stay closer to home and have not looked back.*

How did you get started in the construction industry/trades?

*After high school I started with a framing company then bounced around throughout the trades until I found epoxy flooring and that hooked me.*

What is your favorite part of working at Lakeside?

*There is kind of a lot I love about Lakeside overall, probably the people though. We have a great crew all around from top to bottom.*

What do you like most about the work we do here?

*I like going to different places. It changes the scenery and keeps work exciting.*

What are you most proud of in your career so far?

Do you have a favorite/most memorable/interesting project you've worked on?

*I have too many projects I am proud of to just pick one.*

What do you think makes our team culture unique?

*We are a family and I know we are all going to be safe and keep everyone else safe.*
